Your Tasks & Responsibilities

You are part of the teamer team; the heart and soul of the camp. You help create a great camp atmosphere; you ensure that the camp looks good and tidy; you are the go-to person for questions from guests; you socialise with guests; you give out food during the breakfast/ dinner service with a smile.

Among your responsibilities are:

- Creating a fun and social atmosphere at the camp;
- Preparing the camp on Saturdays for the big change over of guests. This is a long day; all tents need to be cleaned and prepared for the new arrivals, and guests need to be welcomed and shown to their tents once checked in. By working hard as a team, you can make this day fly by smoothly;
- During the rest of the week you run 6-hour shifts, either in the morning, afternoon, or evening;
- Supporting the Breakfast Manager, Head Chef and Head of Team in delivering a healthy, diverse breakfast and dinner service for guests & staff with an eye on environmental impact of packaging and products;
- Focusing on hygiene in food handling, e.g. when you clean up after service and store the left-overs;
- Maintaining a tidy and clean camp, and maintaining or improving the camp aesthetics;
- Supporting the Head of Entertainment in preparation of camp activities and helping host those activities, such as Beach Cleans, Open Mic night or Wine & Cheese night. Also, if you have any cool creative skills, we'd love for you to host a little workshop for our guests (think tie-dye, macramé, water colouring, braiding hair, making bracelets, etc.).
- Socialising with the guests, answering their questions and making sure they feel part of the Star Surf family;
- Executing the list of tasks your Head of Team asks you to do, e.g. emptying recycling bins, raking the camp, preparing bedding for the next week, help prepare signs, foraging flowers for camp decoration, preparing a tent for a midweek arrival, preparing food platters for the next day;
- Not daily, but likely on a weekly basis your responsibilities also include helping on a shopping trip, or doing a transfer for our guests;
- Attending & contributing to weekly team meetings.

As a teamer, you report into your Head of Team. Please note, during some parts of your shifts, you are the main point of contact, and if an emergency occurs you are expected to act professionally and may need to drive. Therefore, you cannot be under the influence during your shifts. For you to get to grips with being a teamer on shift, we run training days before you start.

Your guests are typically an international, multi-lingual group of people. At the main camp, the first half of the season you will host many large uni groups too.

Among your benefits:

- Joining the surf camp activities; including our weekly wine & cheese nights, free use of the surf and yoga equipment, and joining the surf & yoga lessons when available.
- Private tent with mattress at the camp
- 5 dinners, 7 breakfasts, 7 picnic lunches per week
