

Star Surf Camps Team 2023

— BUILD UP CREW —

About Us

Star Surf Camps started with one small surf camp in France during the summer of 2010 and has since expanded across Europe, proudly welcoming back guests and returning staff year upon year. At Star we offer a unique surf and yoga trip experience that prioritises community, inclusivity, and unlimited levels of stoke. Whether a newbie frother or an expert shredder, ocean- and nature-lovers from all around the world find themselves at Star season after season to share party waves with fellow solo travellers, families, friends, colleagues and students alike. It's a place for everyone - no matter age, background, language or surf level.

With a choice between basic camping tents, shared bell tents, private luxury tipis and brand-spanking new motorhomes, the experience can be tailored to each individual's needs and "camping trip" expectations. Whichever roof our guests choose to lay their salty heads and surfed-out bodies beneath, everyone – staff included – will have an invitation to join our activities and events. From volleyball tournaments to skate jams, wine and cheese nights to breath-and-balance workshops, morning yoga to day trips in San Sebastian, open mic performances to DJ classes, there's something for everyone.

Summer 2023

As the season draws closer, applications have officially opened for our 2023 Star Surf Team and we are in search of an active, energetic and outdoorsy crew to help build both our Main and Deluxe Camps in South-West France as well as our Oyambre Surf Camp in Northern Spain:

1. **Build Up Crew, Moliets, France:** You work with a team to prepare the site, build structures and set up tents for both the Main and Deluxe camps before the arrival of around 160 guests and 40 staff.
