

## Management Team

### — MAINTENANCE MANAGER —

#### About Us

Star Surf Camps started with one small surf camp in France during the summer of 2010 and has since expanded across Europe, proudly welcoming back guests and returning staff year upon year. At Star we offer a unique surf and yoga trip experience that prioritises community, inclusivity, and unlimited levels of stoke. Whether a newbie frother or an expert shredder, ocean- and nature-lovers from all around the world find themselves at Star season after season to share party waves (and parties) with fellow solo travellers, families, friends, colleagues and students alike. It's a place for everyone - no matter age, background, language or surf level.

With a choice between basic camping tents, shared bell tents with individual mattresses, private luxury tipis with electricity and brand-spanking new motorhomes, the experience can be tailored to each individual's needs and "camping trip" expectations. Whichever roof (or canvas) our guests choose to lay their salty heads and surfed-out bodies beneath, everyone – staff included – will have an invitation to join our activities and events. From volleyball tournaments to skate jams, wine and cheese nights to day trips in Biarritz, open mic performances to creative workshops, there's something for everyone.
